# TRILOGY TRIAD: *Spacious Vibez*

Trilogy Triad, a musical journey born from humble origins, draws its inspiration from a rich tapestry of genres including neo-soul, lo-fi, jazz, and the heartfelt melodies of the church. Guided by their prodigious talents, Judah Williams and Jayce Meachum, whose roots trace back to a lineage of gifted musicians, have united to craft a distinct sound that resonates with the essence of their upbringing.

From the earliest moments of their lives, both Jayce and Judah were cultivating their musical talents. Their paths converged in the year 2020 when they decided to join forces and establish the musical collective known as Trilogy Triad. A shared vision and shared love for music solidified their partnership.

In 2022, Trilogy Triad took a significant step forward by presenting the world with their debut album, "Spacious Vibez." This carefully crafted masterpiece showcases their artistic evolution fusing together the diverse influences that have shaped their musical odysseys. The album, which is available on various streaming platforms, embodies the essence of their journey, encapsulating the emotions, experiences, and growth that define Trilogy Triad.

With each note, Trilogy Triad invites listeners to embark on a sonic expedition, guided by the harmonious interplay of neo-soul, lo-fi, jazz, and spiritual undertones. From their humble beginnings to the present day, the duo of Judah Williams and Jayce Meachum stand as a testament to the boundless power of musical collaboration and the profound impact that shared passion can have on the world.
